

# Correlations of Exodus in Egypt with Today's Time

William J.D. Shaw Updated May 11, 2022

This document gives a depth of understanding the correlation of being taken out of Egypt that is occurring over again in today's time, being the Second Exodus.

## 1. Taken out of Egypt

Over the first three plagues, the Hebrews experienced the plagues in the same manner that the Egyptians did. Also Pharaoh had free will choice to let the Hebrews go. We know that Pharaoh had a natural hard heart.

Just before the 4<sup>th</sup> plague – a distinction was made between the Hebrews and their animals and the Egyptians. This means protection of the Hebrews from experiencing the remaining 7 plagues. Exo 8:23, Exo 9:4

Also just before the 4<sup>th</sup> plague - The LORD hardened Pharaoh's heart Exo 9:12

Recognize the destruction of Egypt with the plagues as they became more sever from the 4<sup>th</sup> forward - animals dying, - food being destroyed, - pain and torment and men dying.

At the plague of **locusts**, both Pharaoh and his servants had their hearts hardened by God. Exo 10:1 Note this as a correlation which also comes in the end time. This is the 8<sup>th</sup> plague in Egypt.

The first born being killed must have resulted in possibly 25% of the people and animals being lost. A great blow at destroying Egypt acting further in addition to the earlier food plagues. If the people and animals had 4 offsprings with the first born dying, that would result in a 25% loss which appears to be reasonable. This having a further major weakening or destruction of the Egyptian Nation.

When Pharaoh went in pursuit of the Hebrews as they were fleeing away from Egypt, God hardened his heart, Exo 14:8

Pharaoh's army was destroyed in the Red Sea when the waters came back down on them as they pursued the Hebrews. Exo 14:28

The following scriptures are suggestive of possibly Pharaoh dying in the Red Sea. This would occur if he was angry and leading the charge with his hardened heart.

[Exo 14:17](#) And I, behold, I will harden the hearts of the Egyptians, and they shall follow them: and I will get me honour upon Pharaoh, and upon all his host, upon his chariots, and upon his horsemen.

[Exo 14:18](#) And the Egyptians shall know that I *am* the LORD, when I have gotten me honour upon Pharaoh, upon his chariots, and upon his horsemen.

However from the above two scriptures we are not definitely told of Pharaoh being killed along with his men, but it is very possible as it is suggestive that this may have occurred.

So God's people were taken out of evil Egypt and established as starting as a nation of God, being His people and He being their God. They were established in order to follow in His way forward and be an example to the rest of the world's nations.

## **2. Second Exodus, End Time Taken out the Evil World**

In the present time, the days of sorrow have started. Just before the first plague, the white horse that has been ruling the world is taken out of the way or severely weakened. This was not an accident, it was God's hand at work allowing the people of the world to see and recognize how evil the entire world was and to allow the war monger nations to become emboldened. This action was the result of the presidential election in the US being stolen.

The first three end time plagues are where God's people are not protected. Also, all people including the evil world leaders have free will to be able to repent and change. Although we see that the leaders and most of the world have natural hard hearts.

Note that in the New Testament, Yeshua and his Apostles warn man to beware of deception, particularly arising in the end time. This warning occurs 17 times. The lying news media, the lying world leaders, the lying social media, the lying big pharma, the lying nation health authorities, the lying WHO, CDC, FDA and others, were not recognized by most of the world as end time deception. The evil world was bringing deception upon the entire world. People were too lazy to check into what was happening and were not taking Yeshua's warning to heart. A major lie perpetuated by the world was for everyone to take the experimental shot in order to protect other people, in presenting the unvaccinated as carriers of covid-19. Unfounded fear was pushed continually and people put their trust in the world and not in God.

Now it comes to light that those that took the shot end up with weakened immune systems. Likely many of these will make up the majority of those that die in the third plague.

Just before the 4<sup>th</sup> plague, the 1<sup>st</sup> plague of the Tribulation, God seals his people, those that passed the test that He brought upon the whole world. This occurs between the sixth and seventh seals being broken. This seal protects God's people from the effects of the remaining 7 plagues coming upon the world

**Rev 7:3** Saying, Hurt not the earth, neither the sea, nor the trees, till we have sealed the servants of our God in their foreheads.

**Rev 9:4** And it was commanded them that they should not hurt the grass of the earth, neither any green thing, neither any tree; but only those men which have not the seal of God in their foreheads

This parallels the distinction between the Hebrews and the Egyptians of Exo 8;23 and Exo 9:4. But now it is a distinction between God's people and all others of the evil world.

Now another correlation occurs, once the choice to take the mark of the beast is made it cannot be changed or undone, it is permanent and a person's fate is sealed.

**Rev 14:9** And the third angel followed them, saying with a loud voice, If any man worship the beast and his image, and receive *his* mark in his forehead, or in his hand,

**Rev 14:10** The same shall drink of the wine of the wrath of God, which is poured out without mixture into the cup of his indignation; and he shall be tormented with fire and brimstone in the presence of the holy angels, and in the presence of the Lamb:

**Rev 14:11** And the smoke of their torment ascendeth up for ever and ever: and they have no rest day nor night, who worship the beast and his image, **and whosoever receiveth the mark of his name.**

This means **God hardens the hearts** of all people who have taken the mark of the beast, they cannot repent. Note that this includes those Christians who compromised thinking Yeshua would understand since He is loving and merciful. All of this occurs after the third plague and before the fourth, the same as what occurred in Egypt, Exo 9:12.

The reward for passing the test is so great, that a person that fails the test cannot repent and change as then justice would not be balanced between reward and punishment. Passing the test is only made by those who place all their trust in God. The punishment is loss of salvation and ending up in the lake of fire forever. Passing the test is becoming one of the Saints based upon trust and not upon the previous manner of walking according to God's will.

Another important correlation occurs in the end times with the plague of special locusts that come out of the bottomless pit. We are told that men repent not, Rev 9:20-21. As well men blasphemed God, Rev 16:11. These scriptures apply at the time where the special locusts occur, being the 5<sup>th</sup> plague in the Tribulation or the 8<sup>th</sup> plague of the end time. This correlates with Pharaoh and his servants having their hearts hardened by God, Exo 10:1. at the time of locusts in Egypt, which is the 8<sup>th</sup> plague.

At the last or 10<sup>th</sup> plague, the nations were angry, Rev 11:18. This parallels Exo 14:8 and Exo 14:17 with the hardening of the hearts of the Egyptians after the death of the first born and deciding to pursue the Hebrews who were making their way away from Egypt.

**Rev 19:19** And I saw the beast, and the kings of the earth, and their armies, gathered together to make war against him that sat on the horse, and against his army.

Two things we are told is first God puts his will into the hearts of the nations in order for them to fulfil or carry out his will, Rev 17:17. Second that John is to prophecy to nations and tongues, to many people and kings of what has been shown to him throughout Revelations, Rev 10:11. This is the warning to all mankind, to repent and change as it is given to them information as to what is coming.

There has been lots of warning throughout the entire Bible from the various prophets, and from Yeshua, from the Apostles and from the book of Revelations.

The last plague is one of tremendous death of all evil people. This correlates to both the death of the first born in Egypt as well as the death of Pharaoh's army.

In the Exodus, Moses was sent as the messenger. In the end time, the prophets in both the Old and New Testaments have brought the message to the world.

Now God's people and the remnant Hebrews are gathered and take their intended place of being an example for all the nations throughout the Millennium. This is the time where God's Government comes down to earth and finally His will is carried out over the entire earth by rule with a rod of iron.

It is amazing the correlations and clarity of the Second Exodus occurring in the end time as given in prophetic scripture.

In today's time, as the plagues of God continue to occur, it will slowly start to be recognized by some other Christians. Not all will continue to walk as in Noah's time.
