

# The Great Deception and Correlation to Noah's Time

William J.D. Shaw Updated: Oct 8, 2022

## 1. Introduction

We are living in the end times, there are a great number of signs that tell us this. If one studies their Bible they should be able to recognize and understand much of what is happening in the world in today's time and how it is predicted in God's Holy Word. If one is lazy and does not take time for God, why should He take time for you ?

Yeshua (Jesus) gave us an important instruction to follow,

**Mat 4:4** But he answered and said, **It is written, Man shall not live by bread alone, but by every word that proceedeth out of the mouth of God.**

Yeshua was being tempted by Satan and was answering him using scripture from Deu 8:3. Yeshua was quoting from the Old Testament, meaning in Yeshua's time the word of God was everything in the Old Testament. Therefore the Old Testament is still the word of God and all the Old Testament applies equally today as it did in the past. If you **truly** follow Yeshua, then you hear and obey what He has told us. This scripture above is a command and it is reinforced to us today by Yeshua as a command we are to follow and obey. In our time we are fortunate and have both the Old and New Testament, together they are every word from God. To understand the meaning of this paragraph one must be able think clearly with logic.

In scripture when something is given once, it is important. All scripture is given to us for a reason, all scripture is God's word and is truth. Even if you do not currently understand a verse, you cannot ignore it. As you continually study and mature as one of God's children, it may at some time be opened to you. Scripture that is repeated 2 or 3 times is extremely important and one is to sit up and pay extra attention. However when scripture is repeated 17 times it becomes super critical. In the New Testament, Yeshua and His Apostles have told us 17 times to watch out for deception. In addition Yeshua told us that deception will become worse in the end times. If you truly and earnestly study God's word, then you would know this warning and always be watching for deception that comes from both within the Church and from the world around you. There is absolutely no excuse in allowing yourself to be deceived especially not after being warned so many times. You cannot try and shift the blame to someone else. If you allow yourself to become deceived, you are personally responsible and God will inflict a judgment upon you. Being deceived is walking forth in ignorance. What Yeshua tells us is a command that we are to hear, obey and follow. What we see is that Christians say they follow Yeshua, but in reality very few do. Those that took the shot obviously do not follow Yeshua.

If you live by ever word of God, then you study and learn Judgment, this is told to you over 400 times in scripture. To learn Judgment you must be able to think with logic. The following three scriptures are clear instructions on this command.

**Psa 119:66** Teach me good **judgment** and knowledge: for I have believed thy commandments.

**Mat 12:18** Behold my servant, whom I have chosen; my beloved, in whom my soul is well pleased: I will put my spirit upon him, and he shall shew **judgment** to the Gentiles.

**Mal 4:4** Remember ye the law of Moses my servant, which I commanded unto him in Horeb for all Israel, *with* the statutes and **judgments**.

The verse from Malachi is given specifically to those that will be alive when the wrath of God comes upon the whole world in the end times. The wrath of God in the end times are the times of sorrow and the Tribulation. They are currently underway and will be increasing in their effect as time goes forward.

This topic on Judgment is introduced here, as it will come into this document in a major way as the sections progress.

## 2. The Great Deception

Deception in the Congregations or Churches Paul set up started right away. These deceptions to God's people and to the Church have continued throughout the ages and are well incorporated into all Church doctrine and teaching, in today's time. However today Deception from the world has suddenly risen and is growing phenomenally such that in this document it is being labelled and referred to as the Great Deception. This deception is worldwide and co-ordinated by all the mainstream media and the world leaders in basically all Nations, driven and controlled by a few powerful individuals. This deception is pure evil and goes against God's word on how we are to walk.

This worldwide action of deception started gradually in around the 1960's and has grown continually, until roughly in around 2017, it should have become apparent to everyone. There were more than enough signs to make people aware that the information from the news media was slanted and filtered, not truthful and strongly becoming worse as time went forth. Then in 2019 it accelerated and was pushed in a manner of creating and promoting fear throughout the world. In 2021 and 2022, the censoring and major control of mainstream and social media grew tremendously. Those not recognizing this had to be sleeping. Those that called themselves Christians should have been awake and aware that deception was growing and becoming worse that it had ever been. To be able to identify this, they needed to take Yeshua's warnings to heart. Extremely few have done this or even woken up to what is occurring at this current time.

Deception is usually based upon lies mixed with some truth. Understand the LORD hates those that lie. Consider the following scriptures.

**Rev 3:9** Behold, I will make them of the **synagogue of Satan**, which say they are Jews, and are not, **but do lie**; behold, I will make them to come and worship before thy feet, and to know that I have loved thee.

**Rev 21:8** But the fearful, and unbelieving, and the abominable, and murderers, and whoremongers, and sorcerers, and idolaters, and **all liars**, shall have their part in the lake which burneth with fire and brimstone: which is the second death.

Rev 21:27 And there shall in no wise enter into it any thing that defileth, neither *whatsoever* worketh abomination, or *maketh a lie*: but they which are written in the Lamb's book of life

Rev 22:14 Blessed *are* they that do his commandments, that they may have right to the tree of life, and may enter in through the gates into the city.

Rev 22:15 For without *are* dogs, and sorcerers, and whoremongers, and murderers, and idolaters, and whosoever loveth and **maketh a lie**.

What scripture tells us is that those that lie will be thrown into the lake of fire, they will not be among those whose name is in the book of life.

In order to recognize lies, one needs to use logic in thinking and diligently search for the truth when something does not seem right. One must always look and evaluate things of the world using scripture and whether they meet God's righteousness. One should never trust the world and its motives, always be sceptical since leaders of Nations and politicians are always focused on power and riches for themselves. There are very few exceptions to this motivation.

In the US there are 6 large corporations that own nearly all of the news media. Internationally the news is owned by 9 large corporations. The world definitely is directed and controlled by the few ultra rich. The World Economic forum, WEF and the United Nations, UN, are leading and directing the world in a specific evil direction. The leaders of the major Nations are all lining up and working together, to carry out the agenda of the WEF and the UN. In doing so, they all lie to the people in the Nation that they are to serve. Logic of witnessing the unified response of world leaders all pushing the same narrative of lies, indicates these leaders have been bought with promises to them and their families.

### 3. Covid- 19

Covid-19 also known as SARS-2 originated in China in the fall or winter of 2019. It spread throughout the world and in the early spring of 2021 was occurring in many Nations. From information that has slowly been coming out, it appears that it is a man made disease and thought to be a virus and was created in a laboratory. What does not make sense is that it has never been isolated and visually seen using electron microscopy. There is something definitely not right about this, disease yes, virus no.

The initial unknown, especially pertaining to a new disease is frightening to man. Such was the case with the sudden appearance of Covid-19. The news media's promoted fear that people were going to die in large numbers and the world leaders in nearly all countries bought into this and also pushed fear. The Center for Disease Control, CDC, the National Institute of Health, NIH, the World Health Organization, WHO, and the Food and Drug Administration, FDA, all pushed the same narrative. Censoring in the News and on Social Media was instantaneous. Everything that did not agree with the Mainstream News and major Organizations was censored and those bringing opposing information were viciously attacked, often affecting their livelihood. The lies were pushed as being science by leaders that have no background or even a fundamental knowledge of science.

Information was publicly available on the pharmaceutical industry developing an injected drug to protect from SARS-1 (a covid based virus), which surfaced in 2002. Over the years studies using ferrets found the developed a drug to work. However nearly all the animals died a little later, from a mild natural wild covid. Ferrets have the closest response to drugs as to that of humans. The pharmaceutical industry could never get this drug approved, due to the later death response of the animals. Although patents were continually filed for drugs addressing this area over many years, leading up to 2019.

The work on covid viruses continued for SARS-1 over a very large number of years. This explains why a drug for SARS-2 was developed so suddenly, instead of as a normal drug taking a considerable number of years, usually 10-20 yrs. The covid-19 drug already existed before 2019, with patents to protect it. The only thing needed was to set up for manufacturing and conduct some select testing in order to obtain special experimental Government approval to sell the drug.

As a result of the fear of the unknown, the US Government under Trump, pushed Pfizer to develop a drug quickly that would protect people from this new disease, operation warp speed. In order to do this the normal levels of trial testing were waived. The drug was labelled experimental to be used under special emergency authorization and the Government guaranteed Pfizer that they would not face any liability for any bad effects including death. This new drug was based upon a different new technology, and especially long term effects were not known. It turns out now that the short term test results were altered to remove the adverse effects so the drug appeared safe and would be accepted under Emergency Use Authorization, EUA.

The drug was then approved as an experimental drug and pushed on the entire population, and followed in the same manner in other Nations. The experimental aspect was down played and in reality, nothing was known on the long term effects that might arise and short term adverse effects were hidden by the Pharmaceutical industry.

Along with this was the Government requirement of wearing a mask , social distancing and lockdowns. None of these three were based upon science. All the powers that be, stated that these measures were based upon science, they lied.

Information on the disease slowly became known, it appeared to be airborne, it was only serious in causing death in those with compromised health and this was mainly in the elderly. It was of no consequence to young people and those of ages in between, it was just like the common flu. Those in nursing homes, who were the most severely compromised in their health, resulted in the majority of deaths.

The governments, health authorities and medical practitioners, all pushed for everyone to take the new experimental drug. It did not meet the definition of a vaccine so the US Congress changed the definition so it could be called a vaccine. As time went on they pushed for younger and younger people to take the jab or the shot. Then a little later pushed it on children and babies who had absolutely no risk from the disease. The pushing on children should have told everyone that something here was definitely not right. Some other motive that the public was not being told was at play. People that would not take the shot that was now called a vaccine were fired from their job, shunned by others, not allowed to travel and worst of all not given required health care if they did not take the shot.

Initially the narrative was the unvaccinated were dangerous to all others. In addition it was stated that a person's natural immunity was very limited and waning, not anywhere as good as the shot. All of this narrative was not based upon science and was a purposely fabricated lie.

Initially the shot was pushed as giving protection, giving one their life back. It was initially stated that the drug stayed at the location of the arm where it was injected. It turns out that none of these statements were true. First it did not give protection. When this was learned, then it was said to reduce the effect of sickness. As time progressed with more and more of the population being given the shot, independent researchers studying the effect of the shot on the human body found it went through the entire body, it crossed the blood brain barrier and into every organ of the body. When one shot would not work, people needed 2 shots, then 3 shots and then more.

Along the way a few brave medical doctors came up with preventive methods and treatments. These were vitamin D and C, zinc sulphate, hydroxychloroquine, ivermectin, quercetin and NAC. These were extremely effective and worked but were censored completely and still are censored. Further it was found that the pharmaceutical industry uses many different molecular sequences of snake venom and other poisons for making new drugs that they manufacture. Then it was found that many drugs that are used to neutralize snake venom and poisons worked quickly and efficiently on covid-19. In addition to those listed above, one of these was found to be nicotine from smokers or a nicotine patch. Does this explain why covid-19 could never be isolated and viewed in an electron microscope, since they were looking for a virus and not a protein sequence that was a poison ?

From what knowledge has come out and continues to come out a major question is why are the shots still being pushed on people, there definitely are other motives at play. The government leaders are lying, the media is lying, the pharmacy industry is lying, the health authorities are lying. The entire world is evil.

There is more to the story as follows, as well as how it is continuing to come out more and more as time goes forward.

## 4. mRNA Injection

The mRNA is a totally new technology and is based upon nano materials and developed using aborted fetal tissue. As a drug this new technology acts totally different than all drugs developed and used previously. On the nano scale materials behave totally differently physically, chemically and electrically. Also due to their small size they can penetrate through the finest of filters, including those natural ones in the body, such as the blood brain barrier.

Nano materials have totally different properties than that what normal materials exhibit. This makes them extremely dangerous to handle in experiments, especially until enough evaluation has been conducted in order to understand how they behave and how to safely handle them. The danger comes from their tiny size and their phenomenal reactivity. They are absorbed through the skin by touching. This is even more important for use as drugs that have interaction with the human body when these are injected into it. This safety study was not done, or if it was the information was withheld and kept secret.

The first major finding that came to light from independent researchers is that the mRNA travels throughout the body and enters into all organs as well as the brain. Also when the mRNA goes into the liver it will undergo reverse transcription and becomes integrated into the genome of

human cells. In plain language it changes ones God given DNA. Those that use the words transhumanism are correct.

The second major finding is that the mRNA alters one's natural immune system in an adverse manner. This is what happened to the ferrets used for the SARS-1 shot, a common corona virus killed them, such as a common cold or flu. The pharmaceutical industry knew this but profit is what drives them, not the well being of man. One major effect on altering the normal immune system response is that it suppresses the normal method of repair of damaged DNA making a person very susceptible to a wide range of diseases including many types of cancer, including rare forms seldom seen.

The third major finding is that the mRNA and the lipid nano particles that enclose them for transport changes the blood platelets in making them join together in bunches as well as forming clots. However more importantly, somehow it appears that they form a different type of clot in arteries and veins. These clots are not blood clots, rather they are a stringy self assembled biological substance, a type of folded protein never seen before. They grow in size blocking arteries and veins, at first restricting blood flow and in some individuals they have been found to completely block arteries. This clotting material came to light from a number of embalmers. A new phenomena they had never seen before 2020. It is now being seen by the medical profession in some living individuals.

What has also been occurring is young healthy athletes are suddenly dying during a game. In addition people of all ages, but primarily those that are young and healthy are suddenly dying totally unexpectedly. These deaths are now labelled by the medical profession and the media as Sudden Adult Death Syndrome. The medical profession and the media are pretending that it is just a puzzling occurrence that they do not know why suddenly this is happening. They will not state publicly that there is a correlation that cannot be missed, to that of the mRNA shots that people took. The rate that these deaths occur is increasing and it is just a matter of time before the reason will no longer be able to be covered up.

Another indicator worldwide is that insurance companies are experiencing greatly increased deaths and payouts. The number of deaths is so far off their mortuary charts that they are worried that they will go bankrupt. World governments are also seeing this large increase in deaths and their statistics are now showing this high unexpected increase in the number of deaths.

Yet with all the adverse effects from the mRNA shot along with the increased sudden deaths and the research information coming out, Governments are still pushing people to take the shot. If you are a logical thinking person, this should tell you something is definitely not right.

With all the abnormal things that are going on inside the body of those that took the shots, logic from what we are now seeing tells us deaths will continue to grow more and more as time goes forward. It would be expected, from what is seen to date, for deaths to continue to accelerate as time goes forward.

A major alternate news media that focuses on telling the truth is the Epoch Times, another is Natural News.

All of the leaders of the various Nations and their health authorities that pushed this experimental new technology drug on their populations are repeating the Nazi experiments conducted on people during WW11. The Nierenberg trials said never again. Right !

## 5. Correlation to Noah's Time

We are told the end times will be just like the days of Noah.

**Mat 24:36** But of that day and hour knoweth no *man*, no, not the angels of heaven, but my Father only.

**Mat 24:37** But **as the days of Noe** were, **so shall also the coming of the Son of man** be.

**Mat 24:38** For as in the days that were before the flood they were eating and drinking, marrying and giving in marriage, until the day that Noe entered into the ark,

**Mat 24:39** And knew not until the flood came, and took them all away; so shall also the coming of the Son of man be.

This tells us that people will be going on with their life as usual, not recognizing that the end time is upon them. They will be eating, drinking, marrying and generally planning out their life thinking they have a full lifetime ahead of them. This applies to Christians as well as non Christians.

However there is more to understanding these scriptures, as at the time of Noah, man was wicked, violent and evil continually.

**Gen 6:5** And GOD saw that **the wickedness** of man *was* great in the earth, and *that every imagination* of the **thoughts of his heart** *was only evil continually*.

**Gen 6:6** And it repented the LORD that he had made man on the earth, and it grieved him at his heart.

In the days leading up to Noah building the ark, there was increasing corruption of man on the earth. Some angels of God (sons of God) took human wives and bare children. There were giants or Nephilim and the sons that were born from the angels were mighty men and men of very long life. The wickedness of all men continued to grow.

**Gen 6:4** There were giants in the earth in those days; and also after that, when the **sons of God** came in unto the **daughters of men**, and they bare *children* to them, the same *became mighty* men which *were* of old, men of **renown**.

It appears that the DNA of the angels, when they took material form, produced men that were evil and wicked. So the sons of angels had an altered DNA, or the DNA that God gave man originally was changed. In other words an altered DNA was developed which worked to move the world into wickedness and evil. Consider, the angels knew the ways of the LORD, but yet their offspring were mighty men of renown and moved the entire society towards more and more wickedness and evil. These mighty men would have used violence to make their way forward.

**Gen 6:11** The earth also was **corrupt** before God, and the earth was **filled with violence**.

**Gen 6:12** And God looked upon the earth, and, behold, it was corrupt; for **all flesh had corrupted his way** upon the earth.

**Gen 6:13** And God said unto Noah, The end of all flesh is come before me; for the earth is filled with **violence** through them; and, behold, I will destroy them with the earth.

What we see is that the world in Noah's time had become totally evil and corrupted being influenced by the angels. Thus God decided to destroy all of man except for Noah and his family. To wipe the slate clean and start over. So God destroyed all the evil people and started over again with righteous Noah.

This is a major correlation with the world today. First the vast population of today's world has become terribly evil and does not obey or even acknowledge the LORD. Look around and see how fast and how much evil has surfaced in the world in only a very few years. So the end time wrath of God with His plagues will destroy all the evil people and keep only some righteous people alive. The world is again going to be purged of evil and starting over with originally righteous people living in the Millennium. Also recognize those people that lined up and took the shot, now have altered DNA, they no longer have the DNA that God gave man. A parallel to the children of angels in Noah's time.

## 6. End Time Judgment

The end time is unlike any time previously. First, the plagues of God along with man's response will make it like a time never seen before or ever again.

**Mat 24:21** For then shall be great tribulation, such as was not since the beginning of the world to this time, no, nor ever shall be.

**Mat 24:22** And except those days should be shortened, there should no flesh be saved: but for the elect's sake those days shall be shortened.

The above scripture can only be understood by people living in the atomic age. Nuclear war becomes closer each and every day, being pushed by Nato and the USA.

In addition it will be a time of testing of God's people as He brings a temptation or a test upon the whole world.

A warm up test to the main test has already occurred. Both tests are for God's people to place total trust in Him and not in the world. The initial test is to separate those who truly study their Bible and that pay attention to Yeshua, from those that do not. That initial test is being told to always watch out for deception. The major deception was the world pushing everyone to take the new experimental drug. This was done first by promoting fear of death, next by socially attacking those that would not take the shot by labelling them selfish and dangerous to others by their spreading the disease. Following this those resisting taking the shot were removed from their job or their livelihood was severely affected. In addition they could no longer travel by plane or cruise ship. Educational Institutes tried forcing students to take the shot. Hospitals would not conduct operations on those who did not take the shot, even when needing life threatening surgery. Lies by their Government, health authorities and regulatory bodies were continually being bombarded upon

the world. Advertisements in the news were continually encouraging people to take the shot telling them it had been tested and was completely safe. Those calling themselves Christians, that took the shot, failed this first warm up test by not taking to heart the warnings by Yeshua to watch out for deception and also by placing their trust in the world and Pharmacia and not in the LORD. They did not actively search for the truth.

The coming major test or temptation by God to those who are His people has a great reward attached to it for those that pass the test. Likewise there is a great punishment for those that fail the test. Always God's scales of judgment are maintained. Those Christians that pass the test, will have placed all their trust in God and will be given Saint status as defined by the LORD, Rev 14:12 and by Paul in his letters. Those Christians that fail the test by placing their trust in the world will lose their salvation.

Consider those people who will be alive and need to go through the Tribulation and that took the shot and call themselves Christian, how will they be viewed and judged by God ? Will they be given the opportunity of becoming one of the Saints ? They are responsible for their actions and choices, they were warned and now their DNA is changed. They no longer have God's given DNA. By logic it is expected that most all of these will die before the Tribulation begins as a result of their altered immune system and growths of unusual clot material in their arteries and other various diseases. However if some of these that call themselves Christians are alive at the start of the Tribulation will God accept them to take the test and if they pass to receive the reward ?

These people that took the shot if they are alive at the start of the Tribulation are similar to the angels corrupted gene pool of people in Noah's time. God destroyed them all except for Noah and his family to start over again, a new beginning. Based upon logic and studying Judgements in God's word, it is very unlikely that any of these people that took the shot and remain alive at the start of the Tribulation will be extended the opportunity to become one of the Saints.

## 7. Summary

We were told by Yeshua and the Apostles 17 times to watch out for deception. We were told deception would become worse as the end time came upon the world. This is a major warning to man. There are a number of examples in God's Holy Word of people who were not watching for deception, they made a poor choice and they received a punishment for it. There is no reason to think that those Christians that took the shot will be spared from a punishment from the LORD.

There are two correlations of the end time and the wrath of God coming on the world. The first is God's people being taken out of an evil world, it is the Exodus occurring over again. The second is removing or eliminating all the evil people from the world and starting over, a repeat of the effects of the flood in Noah's time. Due to the violence and wickedness of people in Noah's time, most likely perpetuated by the Children of the angels, God destroyed them all and started over with Noah. At that time it appears that there was a contamination of the DNA that was originally given by God. Similarly in today's time those that took the shot have a contamination of their God given DNA.

From the increased number of deaths starting to become more apparent with statistics showing first, a correlation with the shot for continued covid deaths occurring in many different Nations and second for major increases in cancer and circulator induced deaths that appear to be related to the shots in North America. It is expected that the death rate in those that took the shot will continue to increase dramatically as time goes forward. At present the first two plagues of God are underway, Peace being taken from the world and Famine, both of these are growing significantly each month. The third plague has not started in any major way as yet, which is tremendous commutation of **Death of ¼ of the world's** population. It appears that this third plague will be a result of the first two plagues becoming more and more severe. War and civil unrest cause death, flooding and drought with excessive temperatures cause death, famine causes death by starvation and also by lowering the natural immune system in all people making them more susceptible to disease. Those that took the shot have their immune system severely compromised and are at much higher risk than those that did not take the shot. Logic suggests that those that took the shot will make up most of the deaths of the third plague in the industrialized nations, while starvation will make up most of the deaths in the developing nations where few people took the shots.

Those failing the first warm up test of not being diligent in watching for deception are those that took the shot. It is very unlikely that even if any of these that might be alive at the start of the Tribulation will be allowed to pass the test given by God. It is unlikely that they will be given the right to become one of the Saints. If they repent and ask God for forgiveness in having been deceived and taken the shot, they might possibly be forgiven.

One effect of taking the shot has been the suggestion that a person's ability to reason and think with clarity may be severely affected. Meaning that if they were Christians, they would likely fail the test brought on by God, if they happen to be alive at the start of the Tribulation.

God's word is full of examples and repeating of cycles. There is continual learning and personal growth in the study of God's word. Yes, we are to live by every word of God. We are to hear and obey Yeshua. We are to always watch out for deception and lies. There is always a penalty to be paid for being deceived or walking in ignorance. God's Justice is based upon man's free will choices, that are the responsibility of each individual and a penalty will be placed upon each person that makes poor choices. One can never try and place the blame upon others, that excuse is not accepted in God's eyes.

Today man has tremendous resources available for his use, man has free time available to be able to study God's word, life is not as hard as in the earlier pioneer era. Man was given the ability to think and reason. There is absolutely no excuse for not knowing the warning of watching out for deception. Either one hears, obeys and truly follows Yeshua or they do not.

The only way to walk forward is by placing total trust in the LORD and not in the evil world.
