

# Comments on Prophecy Documents

Interest in Bible prophecy or fulfillment of things to come as given to us by God, are a part of our curiosity of human nature. Many people will be naturally drawn to these documents on prophecy as coming from God's Holy word. One will often read them with interest but not with feeling, normally they will just be impassionate words or arbitrary thoughts. This section was put together in order to tell you to wake up and change before it is too late, as the remaining time is becoming shorter and shorter. The prophecy documents are a guide based upon scripture as to what is coming. The Tribulation period is a test that Yeshua (Jesus) tells us will be worse than any time in the history of the world. You definitely do not want to go through the Tribulation period, but in order to avoid this test or trail or temptation, or snare coming upon the whole world, you need to change and walk forward on an extremely narrow path, most likely one that you do not even know exists, especially if you are a Sunday keeper or from main stream Christian Churches.

**Mat 24:21** For then shall be great tribulation, such as was not since the beginning of the world to this time, no, nor ever shall be.

**Mat 24:22** And except those days should be shortened, there should no flesh be saved: but for the elect's sake those days shall be shortened.

If you believe that you will be raptured or taken in some manner before the Tribulation period starts most likely you will be solely disappointed when you find yourself here having to go through the Tribulation. The first resurrection is only for the **"first fruits"** and occurs initially in the Passover Holy Days, **spring harvest**, which was completed at the time of Yeshua's resurrection and will be continued to be completed in a future day at Pentecost, **summer harvest**, occurring at Yeshua's second coming. These people that are resurrected at this first resurrection, that takes place in two separate events roughly 2000 years apart, are an extremely small gathering of people. The large gathering occurs at the end of the Millennium, after fulfillment of the feast of Tabernacles and will occur on the Last Great Day. This is the second resurrection and is the **large fall harvest**, the large masses of people that are Yeshua's, those he will gather and not lose any on the Last Day. In order to know this you must study and follow the complete or whole Bible.

You have no idea at this time how bad things will be that are predicted to come. This is because at the moment you have not personally experienced any of the things predicted in the Days of Sorrow. There are ten plagues that are coming of God's wrath being poured out upon the world. Three of these occur in the Days of Sorrows and seven occur in the Tribulation period. These plagues progressively become more and more devastating right up to and including the tenth plague that occurs at the end of the Tribulation. In the Days of Sorrow the plagues overlap, the first plague is that of taking peace from the world, the red horse, it has been underway for some time and will get worse. The second plague is famine, the black horse, and is just starting. The third plague is death and hell, the pale horse, which will be combined with famine, war, unrest and disease. God's word tells us at the end of the third plague, just before the start of the Tribulation

that 1/4 of the world's population will have been killed. That is roughly 2 billion people. God's people are not protected with His mark until after the Tribulation has started and just before the fourth plague is released. So in the next while we are all going to be personally affected by these plagues. When you read what is coming it should shake you down to the very core of your existence. God does not lie, what He tells us in prophecy will come about just as He has said. Our peaceful life is about to drastically change. Note that all of the fundamentals and keys of finding that very narrow path are contained in the main section of "Documents" on this web page.

We are clearly told how the world will change in the coming Days of Sorrow, wake up and look around.

**Luk 21:35** For as a snare shall it come on all them that dwell on the face of the whole earth.

**Luk 21:36** Watch ye therefore, and pray always, that ye may be accounted worthy to escape all these things that shall come to pass, and to stand before the Son of man.

Only the first fruits are those who will be accounted worthy to escape the Tribulation, these are also known as the Saints that exist before the Tribulation starts.

Bible Prophecy is a difficult and hidden throughout the scriptures. It requires finding and collecting the pieces and putting them together with understanding. One cannot do this without God's Holy Spirit opening key scriptures and leading one forward.
